```

Output:

The screenshot shows a web browser window with the address bar displaying the file path: E:/FSD%20Training/HTML%20Practice/Bootstrap/forms.html. The browser interface includes navigation buttons, a star icon for bookmarks, and a tab labeled 'All Bookmarks'. The form itself is titled 'Your Name' and 'Your Email' at the top. Below these are two input fields: 'Enter your name' and 'Enter your email'. Underneath these is a larger text area labeled 'Your Message' with the placeholder text 'Enter your message'. At the bottom left of the form is a checkbox labeled 'Check me out'. A blue 'Submit' button is located at the bottom center of the form.
